Local Non-Profits Collaborate with Etech to Host a Community Garage Sale

With the help of Angelina Beautiful/Clean who are always thinking of ways to help our community learn how to reduce, reuse and recycle, Etech has decided to partner with Angelina Beautiful/Clean, the Angelina Humane Society, and The Family Crisis Center to host a community garage side in their honor.

“Garage sales are a great example of reusing items you no longer need, and it keeps them out of our landfill,” said Maegan Prejean, Executive Director for Angelina Beautiful/Clean. “The community garage sale hosted by Etech is a great way to clean out your closets, make some extra cash, keep our landfill clean, and help out some great nonprofit organizations in the community.”

The Community Garage Sale is schedule for Saturday, September 27, 2014 at the Etech parking lot from 7: 30 a.m. to 2 p.m. All entry fees collected by Etech from the Community Garage Sale will be donated to Angelina Humane Society to help with their mission of preventing pet overpopulation, educating the public, providing services to improve animal care and welfare, and providing shelter and support to homeless animals. All the items not sold at the Community Garage Sale will be donated to the Family Crisis Center of East Texas. The Family Crisis Center of East Texas mission is to enhance the safety of women, children, and men by providing crisis intervention and advocacy services to reduce and prevent the occurrence of family violence and sexual assault through education and community awareness.

“Etech is excited to be partnering with the Angelina Humane Society, The Family Crisis Center of East Texas, and Angelina Beautiful/Clean in the Community Garage Sale,” said Alana Culpepper, Human Resources Manager for Etech Texas. “Our vision is to make a remarkable difference in our community and this is what we want to accomplish with this event.”

You can be a part of the Community Garage Sale by reserving your spot to sell your items for the fee of \$25 for three parking spots. For more information or to reserve a spot, contact Alana Culpepper at (936) 462-4682 or (936) 633-9200.
