**The Janelle Grum Family Crisis Center of East Texas Benefits from
East Texas Giving Day**

Giving Day is Tuesday, April 30th. East Texas Giving Day is an 18-hour day of giving which provides critical funding for area nonprofits. Giving Day brings the region together as one community to raise money and awareness for nonprofits. This initiative is organized by East Texas Communities Foundation, providing citizens an easy platform to support the mission of the Family Crisis Center of East Texas, as well as other local nonprofit agencies which offer multiple services to our many communities. Log on to www.easttexasgivingday.org to donate and follow @ETCFGives on facebook and twitter.

For more information on East Texas Giving Day or to find out how you can assist the agency, contact Greta Rich at (936) 639-1681 or grich@fccet.com.
